HILL COUNTRY AREA OF NA -ACTIVITIES REPORT

7-20-2014

Dickie B

Howdy y'all! Happy July, hope you are all enjoying your summer and getting ready for RBS in Corpus. I am. Not much to report here, except of course our last event of Roar. Not much support from the Hill Country Area, but lot from outline areas- Central Texas Area (CTANA) and Esperanza (EANA), even some members from Huntsville Area (NASCONA). Those who showed I think had a great time and those who didn't come because of the rain, well it rained for about 15-20 minutes and it just drew us all together. We all grouped and huddled together under the Cabana till the rain passes. It brought some real unity to the group. A great bonding experience. Special thank to those who donated food and helped, "You know who you are." There was great BBQ, speakers, water, with boats, jet skis, swimming and sunning. Great fellowship and carrying the message to the newcomer. I had a good time and heard good things about the event. Again thanks to every one who showed up and supported the event and area. We are looking into new location for ROAR next year maybe and possibly a two day event. If you would like to get involved please let someone on Activities know. Always looking for NEW IDEAS & NEW BLOOD.

Starting Cash = \$250.00 Ending Cash = \$272.00 Profit = \$22.00

Greetings all,

I hope everyone is doing well. Every group that I have had an opportunity to visit since we last met is carrying a strong message of recovery. People were friendly and welcoming. Thanks to all for keeping the doors open and the coffee hot. I had the privilege to attend the SOS business meeting. They do such an awesome job of working together to order supplies, pay rent and decide how to spend money. It was fun to watch. SOS group has requested that we have another activity soon and suggested a tubing trip. I spoke to Sherene from the Dam Group. All is well. She described a newcomer being picked up and brought to the meeting due to helpline referral. She said the person cried happy or maybe relieved tears when picked up for the meeting. Thank youphone-line. I spoke with two groups that are at this time sort of loners. They would like to be listed on our meeting schedules. The addresses and times are listed below. Simplicity group recently held a telephone speaker meeting with George from Oregon. He has been clean since NA began and has over 50 years NA recovery. It was a delight to hear him speak of how our new literature...Living Clean has made a difference in his life. I felt honored to be present. Thank you Simplicity for hosting. The step study group in NB is growing and moving right along. Books and study guides are provided. All are encouraged to share. The meeting is welcoming and full of recovery. The NB Freedom group is alive and well. That group likes to celebrate. The group celebrated 6 years of meeting. This past month one member celebrated 2 years while another celebrated 25 years. It is tradition for birthday people to wear a funny hat, receive cards (with hand decorated envelopes) and treats like cake or pie. The group is warm and welcoming. I visited Phoenix group in late May. The group was well attended and the sharing was great. Everyone was pleasant and welcoming. I attended the Regional Service Committee meeting.

During the RSC, our RD, George (regional delegate) and RDA, Heidi (alternate) described their experience at the recent World Service Conference. Heidi had a power point that really showed just how big we are. Both delegates described the strong.....very strong need to move to a zonal forum form of meeting. Many regions are not able to be seated at the world convention because we have run out of room. The conference costs many thousand dollars (I think the figure was over 100,000) to put the conference on. Zonal representation will divide the world into zones and then decision making and discussion about traditional CARR topics (new literature, translations, etc.) will occur in zones. Then zonal representatives will get together and continue the discussions at a world level. Our fellowship is truly world wide!! I learned that NA has status of a Non Government Agency with the United Nations. (this was new to me..but

not as a situation) The need for this status is so NA members can meet in countries that the right to assemble is not a given. We have a service office to print and distribute literature because some of our members are not permitted to receive from the United States. I was overwhelmed with emotion and had a major..aaha moment when I realized the significance and power of NA as a healing, loving fellowship. Our primary purpose to carry the message is absolutely happening at a world level. We also discussed some about the upcoming convention TBRCNA in February. Other topics included area reports, letter writers needed for inmates in state justice system, H & I specifically (thank you Esteban) was thorough. The region is solvent. We also talked about ways to save money on travel.

The two groups wishing to be listed are: Never Alone in San Marcos....UCM Wesley 510 N. Guadalupe St., San Marcos, TX 78666 Fridays at 7:00 pm and Freedom Group in Kyle.....709 Sewell St. Kyle TX 78640. Mon., Thur., Sat. at 7:30 pm.

In loving service,
Laura

FEEL FREE TO SHARE YOUR OTHER ADDRESS™.

WITH A PO BOX™, YOU'RE IN CONTROL.

It's easy and affordable to take control of your address, your mail and your life with a PO Box™ from the Postal Service™.

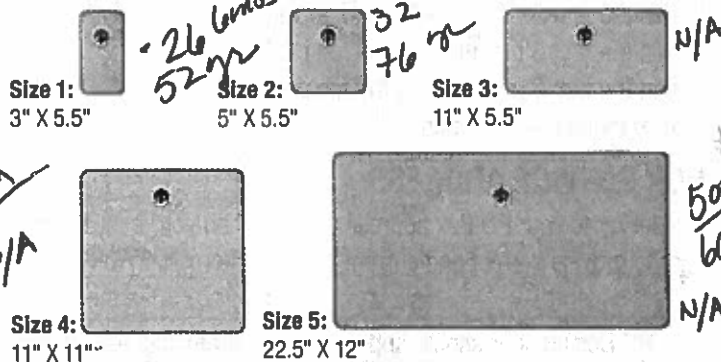

THERE ARE MANY BENEFITS TO HAVING A PO BOX:

Privacy: Your home address is just that – your home. With a PO Box, you can keep your home address private.

Confidentiality: Since you have the only key to your PO Box, important documents and personal communications stay confidential.

Efficiency: A PO Box makes it easy to separate business mail from personal mail.

Security and Accessibility: Control when and where you get your mail. Your mail and packages are secure until you are ready to pick them up. Many Post Office™ locations have extended business hours and/or 24-hour Post Office Box Lobby access.

Select the right size for your mail volume and schedule:

Across the U.S., Postal Service™ PO Boxes are available in five sizes. However, not all Post Office locations have every size.

Our smallest box (Size 1) fits 10–15 letter-sized envelopes or up to two rolled magazines. Start with a Size 2 box if you receive more than 15 mailpieces a week. Size 3, 4, or 5 is recommended if you receive magazines and catalogs.

It's easy to find a box that's right for you. Find an available PO Box by going to www.youtheraddress.com.

If you need more room than our largest box provides, ask at your local Post Office about Business Mail Pickup (Caller) Service.

FEES

To find a PO Box in your area and get fee information, visit www.youtheraddress.com. You may pay your initial PO Box fees online or at a Post Office.

THERE ARE TWO SIMPLE WAYS TO APPLY

After 10 days of nonpayment, we remove the mail, treat it as undeliverable, and close your box. You may also incur a late payment fee. Note that closed PO Boxes are available for new customers immediately, so late payment can lead to loss of your PO Box address.
