VICE CHAIR Report: Written/ copied reports submitted and read by MARY W, I would like to start my report with the First Concept of Service Our fellowship's primary purpose is to carry the message: "That an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live. " One of the primary means by which that message is carried, addict to addict, is in our meetings. These recovery meetings, conducted thousands of times each day by NA groups around the world, are the most important service offered by our fellowship. I have a copy of the concepts if there are any groups interested in the information of the 12 concepts of service. We are asking all groups to come familiar with our Vision Statement for our Region that each group come together and pick Out what exactly does your groups want printed in our Regional Vision Statement, we will need to know what the groups want Stated as a regional vision statement.

CHAIR Report: I did not receive a Written Report She discussed Area Inventory, Please read the Chair report and amend to the Minutes.

RCM I Report:

THANKS FOR ALLOWING ME TO BE OF SERVICE TO THE HILL COUNTRY AREA OF NARCOTICS ANONYMOUS. GLAD YA'LL ARE HERE CAUSE I CANNOT DO THIS, WITHOUT YA'LL.

OUR MISSION / VISION STATEMENT AND AREA INVENTORY SHOULD, I BELIEVE, BE A PRIORITY. HOPEFULLY SOME INPUT FROM OUR GROUPS COULD MAKE THIS POSSIBLE IN THE NEAR FUTURE. THERE ARE STATEMENTS AVAILABLE AT SEVERAL WEBSITES FROM AREAS WITHIN OUR REGION AND NA.ORG . PERHAPS OUR STATEMENT COULD BEGIN WITH THE DATE OUR AREA WAS FORMED, WHAT OUR INTENT IS, WHAT WE HAVE LEARNED AND HOW WE ADAPTED TO PREFORM THE SERVICES NEED BY OUR GROUPS.

OUR REGIONAL POLICY STATES, FOR EXAMPLE: "**TBRSC was formed February 12, 1994 after a year of meetings held by the Regional Formation Committee. The Purpose of the TBRSC is simply to help unite and assist member Areas in fulfilling our primary purpose.**

Hopefully we will always remain simple and avoid the perplexity of politics and financial debates.

OUR MISSION / VISION STATEMENT SHOULD NEVER CONFLICT WITH PRINCIPLES OF THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS. THE **AREA PLANNING TOOL** WILL GUIDE US IN THE INVENTORY PROCESS AS WELL AS THE STATEMENT.

RCM II REPORT:

Not much to report due to our not getting the minutes from the last RSC meeting. I've got the meeting schedules. I found out today, while at Office Max, that they, Office Max, will download our schedules and will run off our copies at no extra charge.

I'm bringing in receipts to be reimbursed.

One for PI Lit. (amount over \$75) \$16.92

Meeting schedules \$37.89

Total \$54.81

PI Report:

Written/ copies reports submitted by Linda M. Linda ordered for our P.I. presentation from Lone Star Region. I have attached a copy of the packing list and the receipt. I was given a check for \$75.00 and the total was \$91.92. Spoke with California Steve regarding the display board and at this time he has nothing but floor displays. They would not work for, as she would be on the look out for a table model. I spoke with Amanda G. and she was getting information on making a board out of Styrofoam covered with a material. However we need to get a display that is permanent now. I have been to an Esperanza health fair and a member of our subcommittee has to been to another Esperanza health fair and none of the other booths were supplied with Styrofoam boards.

PHONE LINE REPORT:

These are all the calls we have had sent from Signus for the past month.
It appears that we are receiving copies of all incoming calls. If you'll notice we even have calls asking only for meetings.
