

Hill Country Area H&I Subcommittee Report

July 2022

Hey-lo NA Family!!

Despite the heat we are still bringing the fire message to our facilities. We added 1 new facility since the last subcommittee meeting and have new members showing up for panels on a regular basis! We are currently reviewing our H&I guidelines and policies to make sure they are up to date so that we can continue to carry a clear Narcotics Anonymous message.

❖ **Right Step Facility - 440 Fischer Rd Wimberley, TX**

In Person Presentation; Panel Leader: Jason P; Facility Contact Person: Tiffany

7:00p.m every Mon. of the month

A clear message is being carried at the Right Step. After a brief hiatus everything is going well. We are now down two panel members since Brian and Jesus had to stop serving. Maybe we could discuss in the subcommittee to condense down to a rotation of three weeks so that there could be two panel members each week.

❖ **Windmill Wellness Ranch - 26229 N Cranes Mill Rd, Canyon Lake, TX**

In Person Presentation; Robyn K Panel Leader; Facility Contact Person: TBD

5:30 p.m. 4th. Sun. of the month

An H&I panel visits the Windmill Wellness Ranch in Canyon Lake Texas on the 4th Sunday of every month from 5:30-6:30 PM. Our next visit will be on July 24th. There are usually between 25-30 in attendance. We are carrying a clear and concise message of hope that we have found through the NA Program.

❖ **Driftwood Recovery - 1905 Elder Hill Road, Driftwood, TX.**

In Person presentation; Brain B. Panel Leader; Facility Contact Person:

7:00 pm 2nd & 4th Thursday of each month.

Panel was canceled the 4th Thursday of June due to a scheduling conflict on Driftwood's part. First panel met 7/14 and had 9 participants from the treatment center. Mike F, Deanna F, and Brian B were panel members in attendance. Next panel will be on 7/28. Panel leader Brian B would like to get at least 2-3 more people with interest in serving on this panel in order to rotate the participants who go.

❖ **Hays County Jail - 1307 Uhland Rd, San Marcos, TX**

Panel Leader: Jesus C; Facility Contact Person:

Jesus has attempted to reach out to our contact person Debra Ramirez, Inmate Program Director at the Hays Co. Jail by phone/e-mail & have not gotten a response or update at this time. Again, I'm reporting that there's no chance at this point. We will reach out to the old contact person Chaplin Brenda Spire next with hope for an update.

❖ **Kyle Correctional Institute - 23001 I-35, Kyle, TX**

Phillip W has made contact with the facility and at this time they have not fully opened to visitors they welcomed some literature. Phillip will be distributing Basic Texts this month
